*Programs of study at all levels are individualized. With the assistance of experienced faculty, students create personalized programs of study that best fulfill their interests, dreams and goals. The ideal student for this program is self-directed, has prior success with independent learning, is enthusiastic and can articulate their educational goals.*

# Accredited

**Length** – Average 2 years; Programs may be shorter, depending on the number of college credits transferred into the program.

**Academic Advising** – Free preliminary academic advising is provided to all students; call or email us to set up an appointment to talk about your customized program.

### Tentative evaluation of credits

The Admissions Representative will respond via email concerning your credit hours earned. This is a rough evaluation. Official transcripts will determine your final total of credits awarded.

### Five ways to receive credit

- Transfer credit from an accredited institution
- Military training
- CLEP/DANTES testing, up to 30 hours
- Professional training from work
- Portfolio-level learning through life experience, evaluated by MCU faculty

## ADVANTAGE ONLINE – Attend Class Anywhere, Anytime!

### The Bachelor Program That Works For Working Adults

- Up to 80 hours of credit may be transferred and applied toward the 128 hours needed for a bachelor degree
- Additional classes and minors in specialty areas such as human resources, psychology and ministry available online
- Bachelor of Science Degree available in many locations across Kentucky and Illinois and through our Community College partnerships
- The Bachelor Programs are approximately 18 months of instruction
